Indiana University Indianapolis - Bachelor of Science in Informatics

Expected 2028

- Relevant Coursework: Computing Logic, Data Analytics, IT Support Essentials I & II, Networking Concepts, and Relational Database Design using Microsoft Access

Google IT Support Professional Certificate - In Progress

Penn Foster High School - High School Diploma | GPA: 3.17

TECHNICAL SKILLS

Networking: Cisco IOS, Cisco Packet Tracer, VLANs, 802.1Q trunking, DHCP, DNS, TCP/IP, LAN/WAN, ACLs, SSH, and network troubleshooting

Operating Systems & Software: Microsoft 365, Windows configuration and troubleshooting

Hardware Support: BIOS/UEFI configuration, computer assembly/disassembly, component replacement, device configuration, laptop/desktop repair, and mobile device repair

Databases: ER diagrams, Microsoft Access, queries, relationships, and relational database design

Security & IT Operations: Splunk Enterprise, SIEM monitoring, SPL, log analysis, alerting, dashboards, incident response, port security, BPDU Guard, WPA2, and technical documentation

PROFESSIONAL EXPERIENCE

Ingram Micro Inc.

Jan 2026 - Aug 2026

Associate II, Configuration

Plainfield, IN

- Processed 100-130 laptops and desktops daily, accurately scanning device records before Blancco secure data erasure and configuration.
- Configured BIOS/UEFI and boot settings, verified specifications, performed functional testing, diagnosed hardware issues, and replaced components while following ESD procedures.
- Trained four employees on device processing, secure data erasure, documentation, configuration, and ESD safety; earned supervisor recognition for performance.

uBreakiFix by Asurion

Mar 2025 - Aug 2025

Repair Technician & Customer Service Representative

Indianapolis, IN

- Diagnosed, repaired, tested, and reassembled smartphones, tablets, laptops, and computers, including screen and internal component replacement.
- Explained technical issues and repair recommendations to customers while maintaining service records and parts inventory.

IMCA Academy

Aug 2024 - Present

Qur'an Instructor

Indianapolis, IN

- Teach Qur'an reading, memorization, and tajweed to elementary through high school students; develop lessons, grade work, track progress, manage the classroom, and communicate with parents.

FedEx Corporation

Jul 2023 - Mar 2025

Material Handler

Indianapolis, IN

- Scanned and tracked high volumes of packages, operated material-handling equipment, resolved workflow issues, and trained drivers on scanning and safety procedures.

Ross Stores Inc.

May 2023 - May 2024

Sales Associate & Loss Prevention

Indianapolis, IN

- Monitored surveillance and store activity, performed security checks, and documented and escalated incidents according to established procedures.

TECHNICAL PROJECTS

SOC Security Monitoring Lab | Splunk Enterprise

Sep 2026

- Built a simulated SOC monitoring environment, ingested 18 security events, and used SPL to analyze authentication, account, file, email, and system activity.
- Investigated eight failed admin logins followed by a successful login, privilege change, and firewall configuration change; created a five-minute brute-force alert, dashboard, timeline, and incident report.

Secure Small Business Network | Cisco Packet Tracer

Aug 2026 - Sep 2026

- Designed a five-VLAN network with router-on-a-stick routing, DHCP, DNS, an internal web server, Guest Wi-Fi, and 802.1Q trunks.
- Secured the network with WPA2, SSH, an extended ACL, port security, PortFast, BPDU Guard, and disabled unused ports; validated DNS, HTTP, ping, and SSH connectivity.

LEADERSHIP & COMMUNITY SERVICE

Program & Events Coordinator / Youth Council Member | IMCA Youth Council

Jan 2026 - Present

- Coordinate youth programs, logistics, promotion, volunteers, and participant engagement with community leadership.

Ramadan Volunteer Operations & Safety Coordinator | Masjid Al-Fajr

2025 - Present

- Coordinate food distribution, parking, cleanup, crowd assistance, security coverage, and operational and safety concerns.

Volunteer Prayer Leader & Community Volunteer | Masjid Al-Fajr

2021 - Present

- Lead congregational prayer and support major community events through setup, attendee assistance, operations, and cleanup.

IMCA Camp Volunteer | IMCA

2025

- Completed 40 volunteer hours supporting youth programs, activities, and event operations.
